

[A Trusted Name in Hydrocarbon Industry]

UPS Constructions Pvt. Ltd

(Formerly Upendra Prasad Singh Hi-Tec Constructions Pvt. Ltd.)

An ISO 9001:2015 Company

ABOUT US:

Our foray in construction commenced in a humble way at M/s Indian Oil Corporation's "Barauni Refinery" in the year 1974. Since then, the company has grown from strength to strength and today commands an enviable position as EPC contractor in Hydrocarbon and Construction Sector.

Our experience landscape in construction includes green field and brown field construction with specific expertise in Tank Construction, Process Piping & Equipment Erection, all types of civil foundations, RCC Building and Industrial Structural Sheds including Architectural & Building electrification works.

We also specialize in "Shutdown Maintenance" and "AMC" for Process Plants.

Our services are backed by experienced Project Management team, Engineers and highly skilled workforce. Our manpower and machinery resources have enabled successful execution of multiple projects simultaneously at different locations.

Our services are in compliance with Indian and International codes, such as API, ASME, BS, DIN, IBR, BIS etc. and we have a well-established Quality Management System and **ISO-9001-2015** certification.
